

JOIN US IN PRAYER FOR OASIS

SERVING TEAMS

Pray for people to see the gifts and abilities God has entrusted them with and be inspired to put them to use in the context of our serving teams. Pray that our volunteers would know that they are part of something bigger that God is doing in our community.

SUNDAY SERVICES

Pray for those checking out Oasis to feel welcome at our Sunday worship services, and for all people to experience and know the value of authentic community with others who follow Christ.

STAFF

Pray for the unity and relational health of our staff team. Pray for staff to be grounded in their personal faith and relationship with Jesus, so that they can come from a place of stability as they serve others. Pray for our wisdom, passion, and joy as we work as one.

KIDS ENVIRONMENTS

Pray that the children of Oasis would feel safe, at home, and excited about Sundays! Pray that truth would be presented in ways that make sense to them, and that their hearts and minds would be open to understand.

STUDENT & YOUNG ADULT ENVIRONMENTS

Pray for Jesus to strengthen, encourage, and bring stability to our students in an ever-changing world. Pray that the Holy Spirit would work through our environments and leaders to bring healing, growth, and maturity to our students that we could never accomplish on our own.

LIFE GROUPS

Pray for those in need of community to be inspired to join and commit to a Life Group. For those in groups, we pray for authentic and meaningful relationships with one another and a deeper relationship with Jesus.
