

Village of Hope Malawi

Bringing hope to children in need

Jef & Renatta Walton

At Village of Hope: Malawi, we partner with families to care for almost 300 orphans and vulnerable children. The centre is in the community of Kauma, located on the outskirts of the capital city, Lilongwe. Every day, children come to VOH to attend school, participate in a feeding program, receive healthcare, and are disciplined to become followers of Christ. We have also planted a children's church called Hope Kids' Church that meets on Friday afternoons with 500+ children attending every week. We left Canada in 2014 with our four very young children and a sense that God wanted us to trust Him in new and different ways. He is faithful and has never failed us!

TO SUPPORT THE WALTONS, PLEASE DESIGNATE YOUR DONATION TO "VOH:LEADERS", THANK YOU!
